

Benton County

Lincoln County

Linn County

Business Referral Network

For the Oregon Cascades West Council of Governments Region: Benton, Lincoln, & Linn Counties

Prepared by the
Oregon Cascades West Council of Governments

With financial support from the
U.S. Department of Commerce Economic Development Administration

And guidance from the members of the
Oregon Cascades West Council of Governments Community & Economic Development Committee

2016 Update

BUSINESS REFERRAL NETWORK

Benton, Lincoln & Linn Counties
2016 Update

Economic Development Partners:

This directory includes key contacts in the Cascades West region of Benton, Lincoln, and Linn Counties for common business development-related queries. While we have all put a lot of time and energy into developing tools and programs that address business needs, the unfortunate reality is that few entrepreneurs are aware that this assistance is available – let alone how to track it down.

To remedy this problem, lead economic development partners in the Linn-Benton-Lincoln region agreed to interact as a tightly connected network. Within this network, every staff person who works with businesses is responsible for addressing business development issues and needs while they are delivering their program's services. Staff does not need to know the ins-and-outs of every program – but they should generally be aware of the types of assistance available and take the initiative to connect the business with an appropriate partner. The following guide is intended for staff's use in making these connections for businesses. It is not intended to be given to businesses as a shopping list for them to work their way through. A matrix of lead entities is provided to help clarify the most appropriate first point of contact for typical business needs – note that many programs are specific to a geographic area. Contact information for all partners is listed alphabetically under the three overarching categories of:

- ♦ **Economic Development Entities**
- ♦ **Local Governments**
- ♦ **Business Associations**

Realizing that individual contacts will change over time, the Business Referral Network is updated annually and website addresses are provided to help access the most current contact information. Assistance in improving the picture of what your organization provides and in helping to keep this directory current is appreciated. Please provide any additions or corrections to Emma Chavez, Oregon Cascades West Council of Governments (OCWCOG) Community and Economic Development at echavez@ocwcog.org or by calling 541.967.8551.

This document was prepared by **OCWCOG** with funding provided through the OCWCOG-managed **Cascades West Economic Development District** by the **U.S. Department of Commerce Economic Development Administration**.

Other Key Resources										
<p>Chambers of Commerce, in place in most cities, provides a variety of business support services including advocacy, specialized training, community data, & connections with assistance providers.</p> <p>City Manager/Administrator/Recorder of each community is typically the primary point of contact in negotiating local assistance & often plays a lead role in addressing any barriers to development or redevelopment.</p>										

City & County Community Development or Planning offices provide information on land use & building reuse options, demographic information, & oversee the permitting processes for land uses, buildings, & signage.

Downtown Associations provide location assistance, advocacy, market data, building design support, & specialized trainings.

Urban Renewal Agencies provide a variety of development incentives & assistance. Cities with Urban Renewal Districts: Albany, Depoe Bay, Harrisburg, Lebanon, Lincoln City, Newport, Philomath, Waldport, & Yachats.
