ABOUT OREGON CASCADES WEST COUNCIL OF GOVERNMENTS (OCWCOG)

OCWCOG manages a variety of local, State, and Federal programs to serve residents, local governments, and businesses in our tri-County Region. OCWCOG is recognized by the State of Oregon as an Area Commission on Transportation (ACT) and a Type B Medicaid Transfer Agency. Additionally, the association is recognized by the Federal Government as an Area Agency on Aging (AAA), an Economic Development District (EDD), a U.S. Small Business Administration (SBA) Revolving Loan Fund Coordinator, a U.S. Department of Agriculture Revolving Loan Agency, and staffs the two Metropolitan Planning Organizations (MPOs) in the Region. These designations increase OCWCOG's ability to serve our communities' needs.

As an Oregon intergovernmental entity, in addition to the programs and services that OCWCOG is required by State or Federal contract to provide, OCWCOG helps businesses find appropriate capital; facilitates seniors and persons with disabilities plan for independent living; coordinates local road improvement priorities; and assists with administration and technical support for its member governments.

Each program works towards OCWCOG's mission of helping the Region's communities collaborate to solve problems and connect member governments, businesses, and individuals with a wide array of resources.

ABOUT THE AREA

Oregon Cascades West Council of Governments (OCWCOG) member agencies are located in the Willamette Valley and the Central Oregon Coast. The rugged Oregon seacoast, the high mountain passes of the Oregon Cascades, lush greenery, and the agricultural abundance of the Valley are an attractive addition to an education, employment, and cultural hub.

Only a one-hour drive to Portland and 40 minutes to Eugene – the region's major airports and gateways; and, a twenty-minute drive to Salem, Oregon's State Capitol, where many of OCWCOG's funding agencies and partners are found. The Southern Willamette Valley is best known for its agriculture and its innovation, which include a flourishing wine industry, innovation accelerators, a growing start-up culture, high-tech industry and access to tens of thousands of students, professionals, and entrepreneurs affiliated with Oregon State University, Samaritan Health Systems, Linn-Benton Community College, Hewlett-Packard, the U.S. Department of Energy, and hundreds of other businesses, non-profits, agencies, and community partners.

The Oregon Coast is proof of the Northwest's amazing diversity and its 350-mile coastline is anything but mundane. The Cities of Newport and Toledo anchor OCWCOG's presence in Lincoln County and provide access to multiple working ports, harbors, and bays, and a historic logging and fishing culture. Oceanic and atmospheric research are conducted by the National Oceanographic and Atmospheric Agency and Oregon State University among others – spinning off innovation and industry in fisheries, energy, resource management, and tourism.

ABOUT THE SENIOR AND DISABILITY SERVICES PROGRAM

The *Senior and Disability Services (SDS)* department supports older adults and people with disabilities through the coordinated operation of a variety of State, Federal, and Local government funded programs. In addition, SDS has been successful in securing and administering contracts and grants with partners such as Samaritan Health Services.

The State of Oregon's Department of Human Services (DHS) contracts with OCWCOG to provide a community-based administrative and service delivery structure at the request of the OCWCOG member governments. The Aging and Disability Resource Connection (ADRC) call center provides consumers with a "no wrong door" access to services.

OCWCOG is the lead agency for the ADRC in Linn, Benton, and Lincoln Counties. The ADRC works in collaboration with other existing health and community agencies to be a highly visible, trusted source of information. The service is available to people of all ages, income, and disability types who have questions on the full range of long-term care support options in the community. The goal of the ADRC is to empower people to make informed decisions about long-term care support and to help them easily access support and services for themselves or someone they care about.

After an initial consultation with an ADRC specialist, consumers may access a variety of services including the Oregon Health Plan (OHP); Supplemental Nutrition Assistance Program (SNAP); Long-term Services and Supports (LTSS); Adult Protective Services (APS); Older American Act (OAA) Programs; Oregon Project Independence (OPI); Meals on Wheels (MOW); Senior Corps Programs, such as Foster Grandparent Program (FGP) and Retired and Senior Volunteer Program (RSVP); and Veteran Services for residents in Benton County.

OCWCOG provides services that are unique and complementary to ones provided by community partners. Senior and Disability Services continues to strengthen partnerships and work collaboratively with Samaritan Health Services and the local Coordinated Care Organization (CCO), intercommunity Health Network (IHN), by partnering in programs that support community health such as Hospital-to-Home Care Transition (H2H) Program.
