TAYLOR MADE CAFÉ AND BAKERY - COMING SOON!

Taylor Ferguson-Glenn loves to bake! So much so she began selling her custom baked goods four years ago in the small town of Sweet Home. As her business grew, she started to envision a vibrant community hub where people could gather for fresh homemade breakfast and lunch as well as delectable, sweet treats. Cascades West Business Lending was able to help make that vision come true with a small business loan for equipment and working capital. Taylor and Wesley Glenn have been busy getting the café, located at 1135 Long Street, ready to open. They anticipate an opening date in August. But no need to wait! You can get a sneak peek of their offerings at the upcoming Oregon Jamboree, where they will have a mini pop up "café" serving biscuits and gravy, breakfast burritos, and assorted pastries.

The café will be open early morning until late afternoon offering a sumptuous breakfast menu all day, an array of lunch items (featuring elk and bison burgers), daily specials, and homemade from scratch baked goods and specialty cakes. The café caters to both the quick-grab enthusiasts and those seeking a leisurely dining experience for breakfast and lunch. Be sure to follow their follow their Facebook page for additional information as the grand opening countdown clock starts soon!
