Re: Statewide Transportation Improvement Program (STIP) Revisions

Action Requested

Decision regarding Full Amendments to projects 23003, 23020, and 23033.

Overview

The purpose of this memorandum is to provide an update on recent revisions to the Statewide Transportation Improvement Program (STIP) relevant to the Albany Area Metropolitan Planning Organization (AAMPO). A summary table of recent revisions can be found on the following page.

Background on the STIP and MTIP

The STIP is the Oregon Department of Transportation's capital improvement plan for state and federally-funded transportation projects. The current STIP (FY2024-2027) went into effect October 1, 2023 and expires September 30, 2027. AAMPO acts as the regional coordinator to the STIP helping ensure that revisions and other adjustments are processed appropriately. AAMPO also maintains a Metropolitan Transportation Improvement Program (MTIP) which is consistent with the STIP.

Revision Types

There are three types of STIP and MTIP revisions processed by AAMPO, listed below. Additional details on STIP and MTIP amendments can be found in the AAMPO MTIP policy [HERE](#).

- **Full Amendments:** Require the greatest level of scrutiny and are brought to the Policy Board for discussion and approval. The TAC makes a recommendation to the Policy Board regarding approval of the amendment and also determines what level public outreach is necessary. At a minimum, the item will be reviewed by the TAC and placed on the next Policy Board agenda, which comes with notification requirements. Additional items for consideration include provision of a public comment period (two weeks), holding a public meeting, and any other actions deemed advisable by the TAC.
- **Administrative Amendment:** Require less scrutiny and are usually familiar to local staff members. For administrative amendments AAMPO staff has the authority to approve the amendment. Amendments are brought to the TAC for review and discussion. The Policy Board is notified of Administrative Amendments at their next regularly scheduled meeting.
